# EXCHANGE PROGRAMS

Eastern Kentucky University has expanded its international exchange opportunities. Students may now choose a variety of options from these two exchange programs:

**AVANS Exchange  
Magellan Exchange**

## HOW IT WORKS

Students pay regular EKU tuition and fees. Essentially, incoming students take the place of outgoing students at each participating institution. Students are also subject to any application fees that apply.

## ADDITIONAL COSTS

Students are responsible for international airfare, passports and visas, resident fees, room and board, textbooks, health insurance, and personal expenses including leisure travel.

Some member schools may have other miscellaneous fees. Generally \$5,000 plus your normal tuition and fees will cover expenses for a semester.

# AVANS EXCHANGE

**AVANS University** has campuses in Breda, 'S-Hertogenbosch and Tilburn, with each location offering a different range of study programs. Similar to EKU, AVANS has approximately 16,000 students and offers study programs in:

**International Business  
Technology  
Economics  
Art & Design**

EKUBusiness students may choose to study for one semester or to pursue the Dual Degree Option. All business courses are taught in English.

## DUAL DEGREE OPTION

EKUBusiness and AVANS have a Dual Degree Option for exchange participants. Students who complete a year of work at AVANS receive a bachelor's degree from AVANS upon completion of the BBA degree at EKU.

Details are available in the EKU College of Business & Technology Advising Office or Department of Management, Marketing and Administrative Communication.

Participants will not only gain global knowledge, develop cultural adaptability and increase their international understanding, but also grow in maturity and self-awareness.

Member institutions are located in Australia, Austria, Belgium, Finland, France, Germany, Mexico, the Netherlands, Spain and the United Kingdom.

## FULL-TIME PROGRAMS

Programs of study include International Business, Economics, and Foreign Languages.

Students enroll for a full load of courses for a semester or year. This is typically 15 American semester hours or 30 ECTS units per term. Details on available programs, language of instruction, and each institution may be found on the Magellan website.
