

# MANAGEMENT JOURNAL RANKING

Publications in journals which are not on the list, but that the author believes warrant being counted as an A, B, or C can be submitted for consideration subject to the following General Criteria for Acceptable Journal Citations:

- Blind Peer-Reviewed
- Cabell's Listing or Other Reputable Benchmarking List
- Credible Sponsorship
- Available for Public Scrutiny

*Journals in which publication is primarily dependent on payment of any type of fee (e.g., submission fee, article processing fee, etc.) substantially higher than is customary are often referred to as "predatory journals" due to their perceived exploitative nature. Journals identified as such do not qualify as a scholarly contribution at Eastern Kentucky University and are not included on this list.*
